

Why Maple Select?

SAFE. Every Sport Court flooring system is thoughtfully engineered with integrated Lateral Forgiveness™, and extensively tested to ensure youth and adults alike are safe while learning, practicing and competing on our surfaces.

SIMPLE. Sport Court's durable SportGuard™ advanced multi-layer surface treatment is UV-cured to save you hundreds of hours and thousands of dollars in maintenance costs each and every year.

SMART. Sport Court flooring systems offer the unbeatable combination of reduced upfront construction costs with the incredibly low cost of ownership to ensure your budget dollars reach their maximum potential.

FAST. By design, Sport Court modular flooring systems can be installed in a fraction of the time of other sports surfaces with little or no construction, allowing complete gym retrofits and renovations in just a few days.

FIERCE. Every Sport Court flooring system is scratch resistant, moisture resistant, inherently antimicrobial and backed by a 15-year warranty. More importantly, our premium sports performance and safety are trusted by the NCAA®, FIVB, USAV and FIBA.

FLEXIBLE. Sport Court flooring systems are the most flexible and durable multipurpose surfaces in the world, allowing your facility to host virtually any group activity, family event or multi-sport without concern for damaging your surface.

"The performance and appearance of Sport Court Maple Select is unmatched in the industry and vastly superior to every other flooring we have considered."

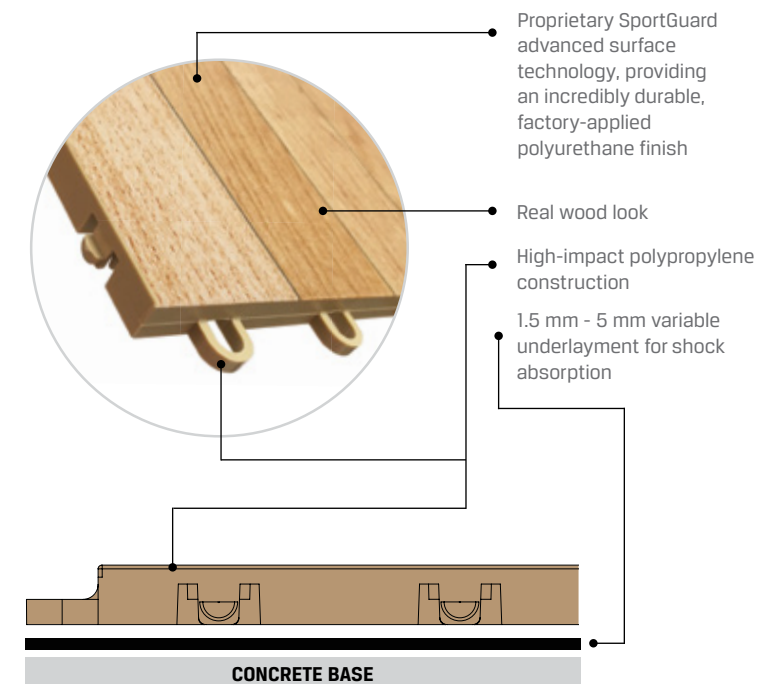

—Steve Kozaki, Nike Tournament of Champions Director

Custom Solutions for Your Unique Needs

The Ultimate Modular Sports Flooring System

The look of real hardwood, the safety of Sport Court®.

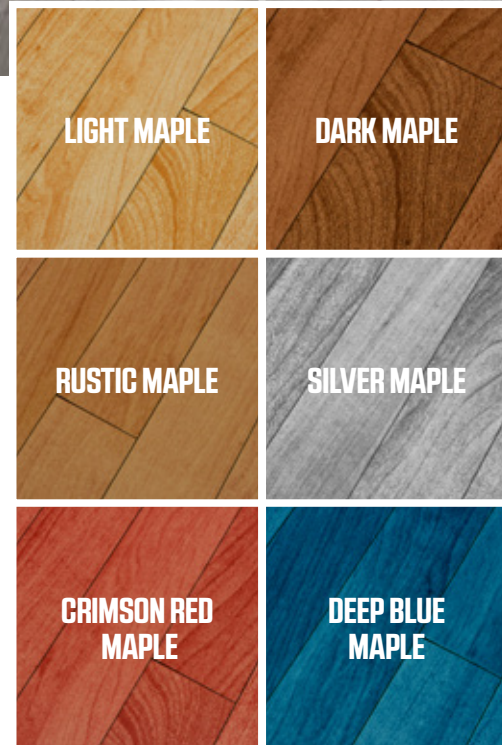

Solutions for Your Sport and Athletic Needs

Every Maple Select sports floor is available with your choice of multiple underlayment options to ensure the performance of the floor is customized for your specific application.

Whether used for multipurpose activities, basketball, volleyball, recreational play or intense training, each option meets strict ASTM shock absorption standards for indoor sports flooring and features integrated Lateral Forgiveness for enhanced athlete comfort and safety.

Truly Inspiring Wood Designs to Play On

The moment you step onto a high-gloss Maple Select floor you will feel like you are standing on a genuine hardwood maple court. Thanks to our partnership with Connor Sports®, the world leader in Hardwood Maple Sports Flooring, only Maple Select uses a unique process to reproduce the natural depth and beauty of real 1st Grade Maple.

In addition to our classic Light Maple and Dark Maple designs, this high performance surface is now available in 4 beautiful new wood colors inspired by the complex staining techniques used on premier NBA and NCAA® courts.

Compatible with All Response HG™ Solid Colors

With Maple Select's full compatibility with the 16 solid colors of Response HG, there are more ways than ever to customize the look of your court.

The World's Largest and Most Experienced CourtBuilder™ Network

You can rely on your locally owned and certified CourtBuilder team. They have built hundreds of Sport Court surfaces in your area, and they will take care of every detail from design and installation, to responsive support and service for the life of your court.

Guaranteed for the Life of Your Floor

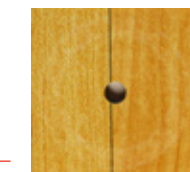

Remarkably resistant to wear, the advanced SportGuard multi-layer polyurethane surface topcoat provides a high-gloss, no-wax, low-maintenance finish for optimal grip and scratch resistance with unmatched durability to protect the maple design of your new floor. Guaranteed to maintain its look and quality for 15 years of daily activities and play.

Taber Abrasion – ASTM 4060

Tests the abrasion resistance of coatings*

Tested Surfaces	Wear Through (Revolutions)	Weight Loss (mg)
Maple Select SportGuard	597	176
Competitor's Surface Treatment	18	371

*Independent, third-party certified testing facility, based on ASTM D4060-10

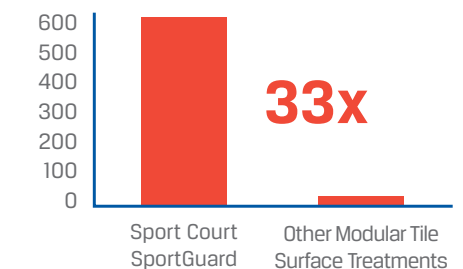

Sport Court SportGuard
Minimal wear at 597 Taber Revolutions

Competitor's Surface Treatment
Excessive wear at 18 Taber Revolutions

Resistance to Wear

Maple Select SportGuard is up to 33 times more resistant to wear than competitive treatments, as tested by an independent laboratory.
