

POWER SLAM SYSTEMS

Playability

Power Slam hoops feature a 1/2" tempered glass backboards and adjustable heights providing athletes of all sizes with professional-grade playability and rebound.

Design

Power Slam hoops are designed to provide stability for your backboard and minimizes vibration and backboard movement while creating a professional look and feel.

Longevity

Made with the highest grade materials including a steel backboard frame, steel extension arms, and stainless steel hardware, Power Slam hoops provide superior corrosion protection for long-lasting and durable use year after year.
