

SPORTGAME PB

Engineered for Safety and Performance in Pickleball

Proven

Custom engineered design optimized for authentic pickleball play and while reducing the risk of injury, from a company with over 45 years of experience building game courts.

Performance

Specially engineered to maximize performance while optimizing safety for pickleball players of all ages. The UV stabilizers and patented formula keeps your outdoor court looking and playing at peak performance for the life of the court.

Ball Response

Developed to optimize ball bounce and response for pickleball. The skip and arc of the ball is similar to acrylic, with the added benefits of injury protection, maximizing play.

Safe

Lateral Forgiveness™ technology absorbs shock, lessening impact and risk of injuries, and SportGame PB's textured surface and tile formulation provide the balance between traction and low skin abrasion keeping athletes safe.

Sport Court® is proud to be the official court of the most demanding athletes in the world.
